TO: SHERIFFS, CHIEF ADMINISTRATIVE OFFICERS, COMMISSIONERS OF CORRECTION, NEW YORK CITY WARDENS, MEDICAL COORDINATORS

RE: Satellite Broadcast Conference on HIV Medications and Side Effects

As a continued effort to advise correctional facility medical departments of continued education programs, the Commission of Correction recently was notified of a satellite conference that will explore important questions about the side effects of HIV treatment and the relationships between patients of color and their clinicians.

Please find attached a double sided announcement of this conference which will take place on January 17, 2001 from 1:00 pm to 3:00 pm at designated sites that have already planned on receiving this telecast.

If you don't find a site close to your facility, please contact Bonnie Kennedy of the AIDS Institute at 518-474-3045 for sites that may have recently registered their site for a down link of the conference.

If there are any questions that the AIDS Institute cannot answer, please contact Bill Gaunay at 518-485-2482 or Peggy Loffredo at 518-485-2475 of the Commission of Correction's Forensic Medical Unit.
