RE: Audio Conference Regarding HIV & Mental Health

The Commission of Correction was recently advised of a program discussing the issues relating to treatment of persons with HIV, Mental Illness and Substance Abuse (copy attached).

The program is one hour in length and is scheduled for March 5, 2001 from 12:00 pm to 1:00 pm.

Interested correctional facilities can access the conference by using an in-house speaker phone. It is necessary to apply in the near future to reserve one of the 100 lines which is to cover all the different agencies and correctional facilities that may be interested.

On the back of the announcement there are instructions for registration.

One point of information not listed in the announcement relates to the ability to ask questions of the panel. We have been assured that the process to ask questions will be found in the handouts that will be provided after registration.

If there are any questions, please direct them to the AIDS Institute at (518) 474-3045.
