

CHAIRMAN'S MEMORANDUM

NO.8 -2002

APRIL 8, 2002

TO: SHERIFFS, JAIL ADMINISTRATORS, COMMISSIONERS OF CORRECTION

RE: Commission of Correction Regions 2002

Beginning April 1, 2002, a change in regional assignments was implemented for the Commission's Field Operations Unit. These changes will not impact Commission policy in any way. Several facilities have already been visited by Commission staff who will be reassigned and serve as new liaisons. Listed on the following page are the new regions, along with the Commission field supervisor overseeing the respective Field Operations teams.

Commission staff will be contacting you in the coming weeks to schedule your annual facility evaluation. Your cooperation, as always, is appreciated, especially during this transition period.

Alan J. Croce, Chairman/Commissioner
