RE: APPOINTMENT OF PAUL D. ANNETTS - FIELD SUPERVISOR

I am pleased to announce the appointment of Paul D. Annetts to the position of Field Supervisor in the Commission's Bureau of Field Operations. Mr. Annetts will manage the Commission's New York Metro Regional Unit, which includes the agency's New York City field office. Mr. Annetts succeeds Ted Swiderek who retired from the Commission after 27 years of exemplary service.

Paul Annetts is an experienced corrections professional. He came to the Commission in January 1998 after serving in the New York State Department of Correctional Services. He is also experienced as a youth addiction counselor, having worked with Phoenix House in 1995-1996. Paul served with the Commission as a correctional facility specialist at the entry and senior levels over the past three years, and was instrumental in the development and operation of the Commission's juvenile justice program. During this period, Paul also developed extensive expertise in jail and prison gang intelligence and management. Paul holds a Bachelor of Science Degree in Criminal Justice from John Jay College of Criminal Justice and will receive a Master's Degree from Marist College in 2002.

Please join me in congratulating Paul Annetts. I am certain that your future working relationships with him will prove to be positive and productive.
