

CHAIRMAN'S MEMORANDUM

NO. 5-98

April 14, 1998

TO: SHERIFFS, JAIL ADMINISTRATORS, COMMISSIONERS OF CORRECTION

RE: HIV Counselor Training Programs Through June 1998

The Commission of Correction recently received information from the AIDS Institute regarding training for beginning HIV counselors and programs for advanced treatment knowledge for counselors already providing HIV counseling and testing.

It is important for each correctional facility to have access to HIV testing in-house or via an agreement with an outside agency.

Please find attached copies of programs that are scheduled around NYS through June 1998. We will provide information on programs scheduled through the second half of 1998 as soon as it is available.

If there are any questions, please contact Bill Gaunay RN or Peggy Loffredo RN of our Forensic Medical Unit at (518) 485-2482 or 2475.
